Geekster Front-End Web Development Program

- Technical Skill Learned **: HTML**,**CSS,JavaScript,React-JS,Firebase,Git,Figma,DSA in Java**
- Solved **200+** DSA/Coding questions on Geekster Platform
- Worked on 30+ Mini Project In Front-End Journey
- Worked on Major Projects like **Text-Editor App, Resume Builder App, Crypto Currency App, Restaurants Clone Redux Toolkit**

Projects Overview

1.Text-Editor App : [Github Link]
- User write Text to change some content using Text-Editor App Functionality
- The project uses MVC architecture pattern, which makes the code more readable, modular, and less complex.
- Features**: Download Functionality,Dark Mode,Copy The Text,UpperCase,Remove Space,Clear Text Etc…**
- Tech Stack: Html, css, Javascript, React, React Routing, Git version control Etc…

2.Resume Builder App : [Github Link]
- This is a Vannila Javascript based Resume Builder designed using the MVC architecture to make an Resume.
- Features: **Download the Resume** for future reference. This application showcases my ability to design and develop modern and efficient applications using best practices.
- Tech Stack: Html, css, Javascript, Git version control, MVC Architecture Etc…

3.Crypto Currency App : [Github Link]
- Show 80+ Crypto Coins in App to fetch API Call, Details of Each Coins with Chart JS Graph
- Features**:** Implemented **FireBase Authentication for User Login** ,**Chart JS Graph**,**Pagination**
- Tech Stack: React Routing,,FireBase,Vercal, Git version control

4. Restaurants Clone Redux Toolkit : [Github Link]]
- Select item and show on Cart Section Page with item quantity & price .The project uses the MVC architecture pattern, which makes the code more readable, modular, and less complex.
- Features**:** Implemented **FireBase Authentication**, including validations, to ensure application safety.
- Tech Stack: Redux Toolkit, React Routing, Git version control

---

Skills

- **Computer Language** : JAVA
- **Libraries** : ReactJS
- **Additional Courses** : Data Structure and Algorithms, Figma, OOPs,ES6
- **Tools & Technologies** : GIT, VS code, Sublime Text

Education

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2023	BCA	VNSGU	7.8
2020	12th	GSEB	76.28%
2018	10th	GSEB	69.33%

Achievements and Co-Curricular Activities

- Secured 2nd Number in College Major Project March 2023.
- Top performer on College Cricket Tournament Jan-2022.
- Gate Qualified April 2023.
